

CURRICULUM VITAE

SHUBHAM RANJAN

E-mail : shubhamranjan50@gmail.com

Contact : 8709671155

Address : BTM Layout 1, Bengaluru - 560068

CAREER OBJECTIVE:

To obtain a position that provides opportunities to enhance my knowledge and skills as an IT professional and contribute to the improvement, growth and profitability of the organization.

TECHNICAL SKILLS:

OPERATING SYSTEMS: WINDOWS, UNIX/ LINUX

LANGUAGES: Core Java MYSQL

DATABASE: ORACLE 10G

Source Control: GIT

IDE: Eclipse

PROJECT OVERVIEW:

1. My first project is "Email Application". It is based on Object –oriented programming (OOP) and String based Application which specially designed for generating unique email ID for company resources which helps in Project and resource Management.

Overview

- It generated an unique Email address with the Syntax firstname.lastname@department.company.com
- It creates unique password for every user by generating set of random string .
- Program has added feature to change the password , set and display mailbox capacity for user and also to define and display alternate email address on User demand.

2. My Second project is "Student Database Application". It is Object –oriented programming (OOP) and Array based Application which specially designed for enrolling students in Schools and Colleges and also helps in maintaining student data and information.

Overview

It generates 5-digit unique ID for every En-rolled Student and display their information which includes their name , ID , Enrolled Courses , Amount they have paid and left balance if any based on course charges which helps in maintain Student database .

It has added feature of generating Unique ID whose first digit will be Student Grade Year which also helps in students data segregation based on Year in which they are taking admission.
